

...But, I'm
sure you'll
definitely
succeed.

I know
I'm asking
a lot,

"Barriers"
are a
discipline
you learn
over the
years.

But I
believe in
you,
Mellinou.

It isn't
logical.

the only
thing I can
do now is
to try my
best.

Senpai!

In
order
for me
not to
waste his
efforts,

There's
something I'd
like to have
prepared.

Perhaps
you haven't
done any
"barrier"
training?

You
seriously
think I'd do
something
like that?

If I recall
correctly
dear, you're
Director
Yomikado's
grandson,
correct?

This is
a simple
question,
but...

I only started the
practice because
I was told that I
can't have a long
life unless I
trained.

It's not
like I wanna
become some
"Vanisher."

Sigh

If I could
stop doing
something
tiresome
like this, I'd
totally quit.

I'm just doing all I can for my own bloody life.

So that means you're trying to tell some Olympic competitor to join for the Rescue Team?

Although you possess such talent,

don't you ever consider putting it towards helping the world?

Hell yeah.

Rather selfish, aren't you, my dear?

Even though he's such a scoundrel...

I'm never gonna give it up.

I'm walking the path of a glorious life that I decided for myself.

I knew it...

The Testament, the "Seal of Solomon," is not appropriate for this man.

His nature is evil.

I was merely seduced by him.

*I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years

would be doing
the world a
service.

Finishing
him off
quickly

Ah-

I'm pretty
sure the
spares are
at the home
shrine-

It's torn~

Just for
a change
of pace, I
think I'll try
spreading it
elsewhere.

So
that's it!

I was the one
who stuck the
ones up there,
though.

It's not like it
has to be only
one talisman,
right?

...So you
figured it out.

Supplementing
Stars that
don't have
enough Astral
energy...!

© 2014 Traffic Safety Chalm

but I'm sure
she spent a
considerable
amount of her
Astral for that.

Minamoto
Mayori
continues to
pretend that
she's calm,

is she saying
that man's
worth that
much?

Even though
it's just prior
to a mission
where she'll be
putting her
life on the line,

That's
reassuring!

...Okay.

Minamoto-
san, I'll be
accompanying
you for this
mission as
well.

I'm
going
to...

Truth is,

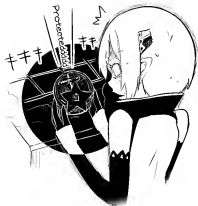

I'll eat
Majji-na's
ice cream
while he's
concentrated
on his training!

Wraahhh!!!

I was
wondering if
it was him!
